Wayne,

I just checked the State Permit Decision document dated 12/2/2005. The S ½ NE ¼ of Section 34 is included in that document as well. It appears the DOI document is the only incorrect description.

Wayne,

In Pam's absence, I assume you are handling items like the following:

The Mining Plan Modification Decision Document for Canyon Fuel Company LLC, Skyline Mine, Federal Lease UTU-67939, faxed to Pam on February 27, 2006, has an apparent error in the legal description found on page (3) of the facsimile.

Township 12 South, Range 6 East SL Meridian, Utah.

Section 34 is apparently missing S ½ NE ¼

The S ½ NE ¼ of the said Section is included in both the approved MRP and the Public Notice published in November and December 2004.

Let me know if there is anything I need to do to get this corrected.

Gregg
