Good morning Matt,

Sorry for yet another fire. This is the one that Pam mentioned to you yesterday. This one adds to the fire I sent on Monday. I have no control - it's all out of control!!

This one is for an exploration drill hole. Very minimum disturbance and no resources observed. Let me know as soon as you can.

We will send the official letter and survey report to your office today. Just thought I could get it in the line-up via email

Thanks.
