Carl:

If it's not too much trouble we would appreciate it, just to set the record straight.
Thank you very much for your help with this. Let me know if there's anything I can do to assist.
Thanks again,
Wayne

Mr. Hedberg:

I checked out the legal description and sure enough the S1/2NE1/4
Section 36 is missing from the Mine Plan Modification decision Document.
I don't see this as a fatal error though given its small size and its
inclusion on the approval map. If it would make everybody comfortable
though I could write up a small errata memo to include this parcel.
