Subject: Conditional Approval of Removal of Silt Fences, Task No. 2574, Canyon Fuel Company, LLC, Skyline Mine, C0070005

Dear Mr. Sorensen:

The above-referenced amendment is conditionally approved upon receipt of two (2) clean copies prepared for incorporation. Please submit these copies by September 18, 2006. Once we receive these copies, final approval will be granted, at which time you may proceed with your plans.

A stamped incorporated copy of the approved plans will also be returned to you at that time, for insertion into your copy of the Mining and Reclamation Plan.

Due to the nature of this revision, there was no need to update the Technical Analysis at this time. The copy you have on file is the most current version.

If you have any question, please feel free to call me at (801) 538-5286.

Sincerely,

D. Wayne Hedberg
Permit Supervisor
