Gregg,

Unfortunately we don't keep the redline/strikeout for CHIAS. I tried to do a document comparison, but the files are too large. I will send you both the new and old CHIAS (Feb in this e-mail, Nov '05 in another) so you can visually compare, sorry it will be a bit harder.

As for the silt fence thing, I have volunteered to look through what you sent to make sure we have what we need. Therefore, I may not have an answer until Monday.

Let me know if you have any questions.

Thanks,  
Dana
