Angela,

Please put this Email in the file Skyline Task 2875, which shows that Priscilla does not need to do a memo.

Please format the attached memo and letter.

Thanks,

Wayne

Hello Wayne,

This email is to let you know that there is no change to the administrative information in the application for reduction of subsidence monitoring (Task 2875). Consequently, no memo is necessary. However, I do agree with the requests for more information made by the USFS by letter dated 11/29/2007 (2007/Incoming/0077.pdf)Priscilla.
