Subject: Re: Technical Analysis Response Extension Request

Mr. Galecki (Gregg):

Thank you for the email and attached extension request letter. As we have previously discussed, the Division hereby approves of your 30 day request. We will extend the anticipated response date until March 30, 2007 for this amendment.

This email will serve as the Division's formal response to your extension request. If you have questions or concerns, please contact me at your earliest convenience.

Mr. Hedberg (Wayne):

As we have discussed, attached is a formal request for an extension to respond to Technical Analysis Task ID #2634 addressing questions on the designs of a new Sedimentation Pond at the Waste Rock site. An original of the request will be sent via USPS today. I will assume the extension is granted unless I hear otherwise.

Call or email if you have any questions or comments,
