Subject: Approval of Dugout Receiving Skyline Waste Rock, Task ID #2776,
Canyon Fuel Company, LLC, Skyline Mine, C/007/0005, Outgoing File

Dear Mr. Sorensen:

The above-referenced amendment is approved effective April 10, 2007. A stamped incorporated copy of the approved plan is enclosed for insertion into your copy of the Mining and Reclamation Plan. This modification does not necessitate an update to the Technical Analysis.

There were no deficiencies with the original submittal. That being the case, those federal agencies that received the amendment can simply incorporate it into their existing copy of the Mining and Reclamation Plan.

If you have any questions, please call me at (801) 538-5268 or Wayne H. Western at (801) 538-5263.

Sincerely,
