RE: PacifiCorp's March 2008 JC-3 DMRs

Dear Daron:

Please find attached to this letter the March 2008 PacifiCorp DMRs for the JC-3 well. PacifiCorp did not operate the well in March. Skyline Mine is unaware of any plans by PacifiCorp to restart and continue pumping water from JC-3 in the near future. If you have any questions regarding this information, please call me at (435) 448-2669.

Sincerely:

A handwritten signature in black ink that reads "Chris D. Hansen".

Re: **Huntington Plant – James Canyon Well System UPDES Permit #UT0025534
DMR for March 2008**

Dear Mr. Herkimer:

In accordance with the James Canyon Well System UPDES permit (#UT0025534), Section II.D.; Reporting of Monitoring Results, PacifiCorp is hereby submitting a Daily Monitoring Report (DMR) for the period March 1, 2008 to March 31, 2008.

This DMR is being submitted with the following certification:

I certify under penalty of law that this document and all attachments were prepared under my direction or supervision in accordance with a system designed to assure that qualified personnel properly gather and evaluate the information submitted. Based on my inquiry of the person or persons who manage the system, or those persons directly responsible for gathering the information, the information submitted is, to the best of my knowledge and belief, true, accurate, and complete. I am aware that there are significant penalties for submitting false information, including the possibility of fine and imprisonment for knowing violations.

During the month of March, there was no discharge from JC-3. If you have any questions and/or need additional information, please contact Richard Neilson at (435) 687-4334.

Sincerely,

Reg Soepnel
Managing Director
