Subject: 1st Quarter Water Monitoring - Skyline Mine

FYI

The 1st Quarter Water Monitoring for Skyline Mine has been electronically submitted into the 'Pipeline' and is ready to be uploaded into the Database.

Jim - There are two (2) errors and five (5) warnings associated with trying to input Tritium data for samples that already exist. I believe you will have to fix the problems on your end.

Let me know if you find anything else,

Gregg A. Galecki
Environmental Engineer
Skyline Mines,
Canyon Fuel Company, LLC
(435)448-2636
