RE: Supplemental Information to Task ID #2977, Re-mining of Scofield Waste Rock Pile, Canyon Fuel Company, LLC, Skyline Mine, C/007/005,

Dear Mr. Smith:

Please find enclosed with this letter, supplemental modifications to the M&RP requested by Ms. Priscilla Burton addressing re-mining of Skyline Mine high ash coal from the Waste Rock site located adjacent to Scofield, Utah.

As requested by Ms. Burton, the supplemental information to the M&RP includes modifications to the Topsoil Stockpile Seed Mix, and a new plate (4.16.1-1D) that attempts to illustrate the possible final reclamation in the case that the site is not filled to capacity.

The submittal includes completed C1 and C2 forms, four (4) copies of both clean and redline versions of the text modifications, four (4) plates, and two (2) CDs containing the complete application submittal. The C2 form is complete concerning the Task ID #2977 information, including both the original and supplemental information. Supplemental information is clearly identified on the C2 form.

If you have any questions, please call me at (435) 448-2636.

Sincerely,

Gregg A. Galecki
Environmental Engineer, Skyline Mine
