RE: 15-Day initial completeness review –Table of Contents, Canyon Fuel Company, LLC, Skyline Mine, C/007/0005, Task # 2930

A brief review of the information submitted for the Table of Contents update and Side-by-Side review deficiencies indicates that the Permittee has supplied enough information to complete a technical review.

The Permittee included an updated table of contents, and instructions to remove obsolete pages from the MRP.
