Subject: North Lease Incidental Boundary Change, Canyon Fuel Company LLC, Skyline Mine, C/007/0005, Task ID #2918

Dear Mr. Sorensen:

The above-referenced amendment is conditionally approved upon receipt of eight complete clean copies (at least four of these copies must be paper, the other copies can be on CD) and upon receipt of updates to your Air Quality Approval Order (R645-301-121.100). The Division is aware of updates to the AO that occurred in t 1995 and 2002, which are not currently in your MRP.

Please provide clean copies by April 28, 2008. Once these copies are received, a stamped incorporated copy of the approved plan will be returned to you for insertion into your copy of the Mining and Reclamation Plan. An updated Technical Analysis is enclosed.

If you have any questions, please feel free to call me at (801) 538-5262 or Dana Dean at (801) 538-5320.

Sincerely,

James D. Smith  
Permit Supervisor
