*K*

Hi Kathy,

I received the bonding documents that you sent for the Skyline Mine (Permit C/007/0005). I reviewed the documents and it looks like we are just missing one item - Exhibit "D" - Stipulation to Revise Reclamation Agreement. Also, after speaking with Gregg Galecki, it seems there is a discrepancy with the acreage amount that is reported on Exhibit "A" - Permit Area.

Gregg has agreed to submit a corrected Exhibit "A" - this will require the signature of the surety once again (for this document only). Also, he will provide me with the Exhibit "D" - which outlines the changes we are making to the Reclamation Agreement. Once I receive all of the paperwork I will forward it to our Division Director for his signature. After I have his signature I will be able to release Bond #400SA1919 issued by St. Paul Fire and Marine Insurance Company.

Thank you,  
Angela  
Bond Coordinator
