RE: Application to identify mobile Ambulance shed on Surface Facility map, Canyon Fuel Company, LLC, Skyline Mine, C/007/005

Dear Mr. Smith:

Please find enclosed with this letter Skyline Mine's application to identify the Ambulance shed on the Skyline Mine Surface Facility Map - Plate 3.2.1-1. This submittal includes eight (8) clean copies of Plate 3.2.1-1; Mine Surface Facilities Plot Plan.

During a routine site inspection by Inspector Karl Houskeeper, he observed a shed (previously located by the substation) had been moved, with a garage door being added to the shed. Mr. Houskeeper suggested we identify the new location on Plate 3.2.1-1. Because the shed is mobile (mounted on I-beams), and within the existing disturbed area he thought no additional bonding or internal review would be necessary.

Also attached to this cover letter are completed C1 and C2 forms.

If you have any questions regarding this information, please give me a call at (435) 448-2636.

Sincerely:
