Subject: 1st Quarter 2010 Water Monitoring
CC: Jim Smith <jimsmith@utah.gov>, Karl Houskeeper <KARLHOUSKEEPER@utah.gov...>

Jim,

The 1st quarter water monitoring data for Skyline Mine is in the Pipeline and ready to be uploaded to the Database. To our knowledge, all data has been provided with one error that needs to be worked out. The UPDES-002 samples in March are asking for Oil and Grease data, which according to our permit is only collected when an oil sheen is visible (no sheen was visible).

Let me know if you have any questions,

Austin R. Belcher
Environmental Engineer
Canyon Fuel Company, LLC
Skyline Mine
(435)448-2668
