Oh. Thanks for the correction.

Priscilla,

You made a very good summary of the project (well worth the time). I have one comment/correction on section 16a (roads) of the report. The road from town to the gate located on the east end of Section 6 is controlled by Scofield City, not Carbon County.

Thanks,

Hello Gregg,

Attached is the inspection report for my site visit on October 13, 2010. How's it coming? Did you beat the last storm?
