RE: Flat Canyon LBA

Dear Mr. Sorenson:

The BLM and the Manti-La Sal National Forest are preparing to work on the Flat Canyon LBA. Prior to commencing work on this project the BLM and Forest Service would like the following information to be submitted:

1. A letter detailing any changes that Ark Land Company would like to make in the application; or,
2. A letter stating that Ark Land would like the application processed as was originally submitted and analyzed in the original NEPA document.
3. A date of when Ark Land needs to be commencing mining operations on this tract once it is leased so that mining operations at the Skyline mine are not interrupted. This information is requested for planning and budgetary purposes.

The requested information must be submitted within thirty (30) days from the receipt of this letter.

If you have any questions, please feel free to contact me at (801) 539-4037.

Sincerely,

/s/ Roger L. Bankert
