Subject: Final Approval, Skyline Mine, C/007/0005, Blasting Plan, Task ID #3883

Dear Mr. Sorensen:

The Blasting Plan was reviewed by the Division pursuant to R645-301-524 on August 1, 2011. A signed copy by the authorized certified surface blaster of the blasting design was requested. We received the requested signed design on August 10, 2011. The Blasting Plan with the original signature should reside at the mine site.

Thank you for your help during this process. If you have any questions, please feel free to call me at (801) 538-5325.

Sincerely,

Daron R. Haddock
Coal Program Manager
