Subject: Conditional Approval Winter Quarters As-Built Modifications, Canyon Fuel Company, Skyline Mine, C/007/0005, Task #3994

Dear Mr. Sorenson:

The above-referenced amendment is conditionally approved upon receipt of 8 clean copies, PE certified, prepared for incorporation. Approval is also conditioned upon the receipt of a line item bonding detail for the temporary cement pedestal shown on Plate 3.2.4-3A. No additional bond will need to be posted. Please submit these copies by February 24, 2012. Once we receive these copies, final approval will be granted, at which time you may proceed with your plans.

A stamped incorporated copy of the approved plans will also be returned to you at that time, for insertion into your copy of the Mining and Reclamation Plan. This modification does not necessitate an update to the Technical Analysis.

If you have any questions, please call James Owen at (801) 538-5306 or me at (801) 538-5325.

Sincerely,

Steve Christensen
Permit Supervisor
