Gregg/Priscilla

The report was re-submitted on 07/28/2011 and is contained in our files (OGMCOAL) with all reports including the refuse inspection.. Priscilla was right the original submission on 6/22/2011 was absent the refuse inspection, but was corrected immediately afterwards.

Thanks,  
Karl

Priscilla / Karl,

Attached is the 2<sup>nd</sup> quarter 2011 Refuse Pile Report. I don't know what happened to the first one – I thought it was submitted.

Let me know if you need anything else.

Hi Gregg and Karl,  
I am reviewing Skyline's 2011 annual report and can not find the Refuse Pile inspection submitted 6/22/2011.

I have looked in both the internal and incoming folders and haven't found it. There was a report provided on 6/22/2011 for the pond inspections, but it did not include the refuse site inspection. Our finalized annual report review letter is due 6/30. Maybe you can help me find this information before then.

Please copy me on any future submittals that pertain to waste rock information.

Thanks,  
Priscilla.
