All,

Per Permit Condition #2, attached is the cumulative monthly flow data for discharges into both Electric Lake and Eccles Creek – updated through April 2013. The JC-1 data logger has not been functioning since October 4, 2012. Skyline employees plan to repair/restore the data communication system in James Canyon when the area is accessible.

Let me know if you have any questions,

Austin R. Belcher

Environmental Engineer II

Canyon Fuel Company, LLC

Skyline Mine

(435) 448-2668
