### DECISION

Canyon Fuel Company, LLC.	:	Coal Exploration Licenses
6100 Dutchmans Lane, Suite 900	:	UTU-68087
Louisville, Kentucky 40205	:	UTU-76864

### Bonds Returned No Action Taken

On August 16, 2013, Canyon Fuel Company LLC., submitted two bonds in the amounts of \$18,000 and \$133,000 for coal exploration licenses UTU-68087 and UTU-76864, respectively, with Canyon Fuel Company LLC., as principal, and Lexon Insurance Company, as surety, to replace the current license bonds.

A report from our Price Field Office has recommended that the current exploration bonds for these licenses be released. The exploration holes completed under these exploration licenses were converted to water monitoring wells that are still being actively monitored. However, it has been determined that these monitoring wells are within the Skyline Mine's Utah Division of Oil, Gas and Mining (UDOGM) permit and any liability would fall under the coverage of the UDOGM reclamation bond. Therefore, these submitted replacement bonds are being returned with no action taken.

If you have further questions, please contact Bill Buge of this office at (801) 539-4086.
