Dear Mr. Kirby: ^{Foster}

The Division has reviewed Canyon Fuel Company's application for the North Lease Permit Revision. Canyon Fuel Company is anxious to proceed with their mining plans. Please review and process the enclosed Decision Document and accompanying documentation so that the company can proceed with their plans to mine in the North Lease Modification area.

Thank you for your help with this action. If you have any questions, or need any other information please call me at (801) 538-5325.

Sincerely,

Daron R. Haddock
