All:

I hadn't updated the JC-1 tab, just the Cumulative Discharge on the previous copy. Here is the corrected/completed version.

Subject: Mine-Well Discharge - April

All:

Per Special Permit Condition #2, attached is the Skyline Mine cumulative monthly flow data for discharges into Electric Lake and Eccles Creek – updated through April 2014.

We were having communication/download problems in acquiring the data which caused the delay in reporting. I appreciate your patience in this matter.

Let me know if you have any questions,
