Hello Gregg,

In processing the Skyline, Flat Canyon Lease addition, an AVS check was processed to ensure clearance of a permit issuance.

I have attached the AVS Evaluation for your reference.

It appears that 5 violations are listed. James Wolff of Bowie Resource Partners, LLC is also a controlling officer of Licking River Resources, Inc. Licking River Resources, Inc. has had violations identified by the OSM Auditors in November 2014.

These violations will need to be resolved/cleared before any permits can be issued.

If you have any questions, please call Daron at [\(801\)538-5325](tel:8015385325).

Thank you!

CAUTION: The Applicant/Violator System (AVS) is an informational database. Permit eligibility determinations are made by the regulatory authority with jurisdiction over the permit application not by the AVS. Results which display outstanding violations may not include critical information about settlements or other conditions that affect permit eligibility. Consult the AVS Office at 800-643-9748 for verification of information prior to making decisions on these results.
