RE: Request for Informal Hearing on Citation # 15149, Skyline Mine, Canyon Fuel Company, LLC, C/007/0005

Dear Mr. Haddock:

In accordance with Utah Administrative Code R645-400-350 we are requesting an informal hearing to review the facts of Citation #15149, issued on January 8, 2015. The violation was terminated on January 13, 2015, through a field verification that was conducted by the inspector. We request that the hearing be scheduled at the Division's earliest convenience. We would also provide an invitation for the hearing to be held at the Mine site if the Hearing Officer would find value in conducting the hearing on site.

Please let me know what dates are available for a hearing so we can have the appropriate personnel in attendance.

If you have any questions, please call me or Gregg Galecki (435) 448-2636.

Sincerely,

Carl W. Winters
