Subject: Public Notice for NOG Bleeder Shaft Application, Skyline Mine, C/007/005, Task ID #4883

Dear Mr. Galecki:

The Division has reviewed the proposed public notice that was submitted as part of the North of Graben Shaft Application. The proposed notice is determined to meet the requirements of R645-300-121.150. At this time you should have the notice published at least once a week for 4 consecutive weeks. An affidavit of publication should be submitted to the Division as soon as it is available.

The Division will continue the technical review of the application and will notify you of our findings upon completion of that review.

Please call me at (801) 538-5325 if you have any questions.

Sincerely,

Daron R. Haddock
Coal Program Manager
