Hi Gregg and Taylon,

Our hydrologist assigned to the Skyline mine, Arati, has resigned from her position. Going forward I am the assigned hydrologist for Skyline. Please send the JC-1 and Mine Discharge monitoring to Steve and I from now on.

Also, for this months monitoring commitment please send the JC-1/Mine discharge data by the week of May 29th. I have to analyze the data and provide updated graphs for Dana's presentation at the Emery County Public Land Council's meeting on June 5th.

Thanks,
