C/007/0005, Task ID #5737

Dear Mr. Galecki:

The above-referenced Minor Exploration Letter of Intent has been reviewed as of September 12, 2018. You have addressed all the requirements of the Minor Coal exploration rules in the R645 Coal Rules. The Letter of Intent indicates that less than 5 acres will be disturbed and less than 250 tons of coal will be extracted. Please have a copy of the Letter of Intent at the exploration site upon inspection.

The Division is requesting upon completion of final reclamation of the five (4) exploration drill sites, two (2) pictures from different angles of each location and to be submitted to the Division in Salt Lake City and Stephen J. Demczak at the Price Field Office.

If you have any questions, please feel free to call me at (801) 538-5325 or Stephen J. Demczak at (435) 613-3732.

Sincerely,

Daron R. Haddock
Coal Program Manager
