Subject: Final Approval of Removal of NOG Shaft, Canyon Fuel Company, LLC, Skyline, C/007/0005, Task #6077

Dear Mr. Galecki:

The above-referenced amendment was conditionally approved on March 24, 2020 upon receipt of clean copies. We received the requested clean copies on April 22, 2020. A stamped incorporated copy for insertion into your copy of the Mining and Reclamation Plan has been mailed.

Two (2) copies of the revised permit to remove the NOG shaft have been mailed along with the clean copies. Please have both copies signed by the appropriate representative and return one copy to the Division.

Thank you for your help during this process. If you have any questions, please feel free to call me at (801) 538-5350.

Sincerely,
