 Mining Operations

Dear Jeff:

We have received the Notice of Intention to Commence Mining Operations and Mining and Reclamation Plan for the Plateau Mining Company's Star Point No. 1 and 2 Mine in Carbon County, Utah.

Part of the operation is on State Lease No. 22729. We want you to know that the reclamation plan is in order and we are going to proceed with the required publication of the plan and the calculation of surety for the approval of our Board.

If you have any comments regarding this operation, please contact myself or Ron.

Sincerely,

Brian W. Buck
