Re: Mined Lands Reclamation Contract  
ACT/007/006

Dear Mr. Shaw:

There will be a slight delay in the Boards approval of the contract for reclamation which you submitted for the Star Point Coal Mine. A wording change on the contract form itself will be performed and you will be supplied with the new copies of the form for completion on this mine.

In addition, the contract did not have affixed the seal of the corporation. There is a "note" at the bottom of the MR Form 6 explaining that 'the agreement should be executed by its duly authorized officer with the seal of the corporation affixed'.

The new form will be sent to you as soon as it is approved and printed.

Sincerely,

DIVISION OF OIL, GAS, AND MINING

RONALD W. DANIELS  
COORDINATOR OF MINED  
LAND DEVELOPMENT
