The Plateau Mining Company hereby agrees to waive any alleged retroactive effect which might be asserted under Sec. 40-8-7 Utah Code Annotated, 1953, with respect to the special Rules and Regulations adopted by the Division of Oil, Gas & Mining on May 25, 1978 covering coal mining and reclamation operations in the state of Utah insofar as said rules and regulations apply to coal mining and reclamation plans submitted by us and approved by the Board and Division of Oil, Gas & Mining prior to May 25, 1978.

By granting this waiver Plateau Mining Company in no way waives its right to at any time in the future to challenge the authority of the Board or the Division of Oil, Gas & Mining or any other regulatory agency to enforce the Surface Mining Control and Reclamation Act of 1977, Public Law 95-87.
