Gentlemen:

Enclosed is executed right-of-way grant U-39779 dated April 17, 1979 for a coal mining access road.

YOUR ATTENTION is called to the requirement that all work performed under this grant must be in strict accordance with the specifications. The Moab District Manager will designate the district representative who will coordinate all activities concerning this project.

GRANTEE MEETING: You are to arrange a meeting with the authorized district representative before work commences. All specifications of the grant will be discussed at the meeting so that a mutual understanding of all requirements can be reached.

WORK SCHEDULE: Your written work schedule must be prepared prior to and presented at the meeting. The work schedule will document your intended starting and ending dates for the entire project, and also dates for starting and completing specific items within the grant.

NOTICE TO PROCEED: A written notice to proceed will be issued to you by the district representative at or after the grantee meeting.

Sincerely yours,

/s/ VIRGINIA HALVERSON
