ACTIONS: Terminate violation #6 of NOV 80-5-3-12,  
issued August 15, 1980

A follow-up inspection was conducted to evaluate the erosion control structures required at the outlets of all culverts draining the new access road to the Lion Portal.

Full culverts have been extended down the entire length of the slopes below the portion of the road that each culvert drains.

The violation was terminated following the inspection.

All nine violations issued August 15, 1980 under NOV 80-5-3-12 have now been terminated.
