CERTIFIED RETURN RECEIPT REQUESTED

RE: NOV #N 80-5-3-12-6 of 9

Dear Mr. Damrau:

In confirmation of our conversation at your office on the 14th of October, I would like to re-affirm Plateau's desire to abate this violation.

We are grateful for the extension given verbally until the 1st of November.

Yesterday we received the Ammended Right-of-Way from the B.L.M. and the road has been opened to traffic.

We also received yesterday, eight (8) inches of snow. The snow is still on the ground today and conditions are very miserable for on-the-ground work, not to mention the safety hazard facing our men.

Plateau intends to do its utmost to bring the culverts on the road up to requirements if the weather will cooperate with us.

I will keep you advised on the progress.

Sincerely,

PLATEAU MINING COMPANY
