Re: Minor Modification to
Approved Mining Plan

Dear Mr. Crane:

UNC Plateau Mining Company hereby accepts the stipulations set forth in your letter of July 15 in regard to the above mentioned matter.

There is one item, however, which needs clarification. The first paragraph on the first page of the Standard Stipulations defines the term "Regulatory Authority" as both the federal Office of Surface Mining and the Colorado Division Mined Land Reclamation. In our opinion, the Utah Division of Oil, Gas and Mining should have the State jurisdiction, rather than the Colorado Division of Mined Land Reclamation. We would appreciate a response from you in this regard.

Thanks, again, for making this much needed modification available to us at this time.

Sincerely,

Floyd J. Tucker
Executive Vice President &
General Manager
