RE: ACT/007/006  
Starpoint Mines  
Seely Canyon Breakouts

Dear Mr. Grimes:

Enclosed is the letter from the U. S. Fish and Wildlife Service concerning threatened or endangered plant species in the area of the Seely Canyon break-outs.

As you can see, an error in naming the mine was made in this letter. By verbal communication with the USFWS, they requested that a penciled change be made.

This determination should be satisfactory for compliance with the USFS and OSM stipulation.

Sincerely,

MARY ANN WRIGHT  
RECLAMATION BIOLOGIST
