TOPIC: VARIANCE FROM APPROVED DRAINAGE UNTIL COMPLETION AND COMPLIMENTATION OF NEW SHOP BUILDING.

Dear Sandy:

Attached is the proposed temporary drainage system Plateau Mining Company has implemented until the shop facility can be completed to a point where Plateau Mining Company can complete the permanent drainage controls as specified in the M.R.P.

The measure you outlined in N.O.C. 81-1-5-2 are in place at present and will remain so unless your office directs us to remove or alter.

Based on the attached plan Plateau Mining Company requests a variance until January 24, 1982.

Thank you.

Sincerely,

PLATEAU MINING COMPANY
