Memorandum

To: Regional Director, OSM, Denver
From: District Mining Supervisor,
USGS-CD, Salt Lake City
Subject: Plateau Mining Company, Star Point Mines,
Carbon County, Utah, Mining and Reclamation
Plan, Supplement No. 2

RECEIVED

SEP 21 1981

DIVISION OF
OIL, GAS & MINING

The subject supplemental information consisting of one volume has been reviewed by our mining engineering department. This volume does not contain any material relating to the responsibilities of the Geological Survey but it will become part of a seven volume mining and reclamation plan.

The initial six volumes submitted were adequate for the requirements of 30 CFR 211.10(c) and for our administration of the associated Federal coal leases. (Reference--Letters from this office dated March 20, 1981, and June 10, 1981.)
