RE: NOV N 81-1-1-2

Dear Mr. Helfrich,

Plateau Mining Company [PMC] would like to ask for a 30-day extension of the time for abatement for NOV 81-1-1-2, Violations No. 1 and No. 2.

The reasons for this request are:

1. To enable the Division of Wildlife Resources [DWR] to complete the study of the spring migration of mule deer as affected by the conveyor.
2. To allow PMC, DOGM and DWR time to evaluate the study and locate crossings if needed.
3. To allow adequate time to include study results and recommendations into the plans called for in NOV No. 1.

Thank you for suggesting that we extend the date for abatement in our meeting last Friday May 1. I think this will allow us time to come to a satisfactory solution to the NOV.

Sincerely,

PLATEAU MINING COMPANY
