Dear Ron:

I am appreciative of the time that you, Mary Ann and Sandy spent with us Wednesday morning, March 22.

I fully realize that you sacrificed priority time to be with us and discuss some of the problems that we are encountering.

I do feel the meeting was very beneficial on our behalf in coming to a better understanding of what is expected from each other and in developing more complete communications.

We will be looking forward to working with you in the future, and hope that both of our desired goals may be achieved.

Sincerely,

PLATEAU MINING COMPANY
