RE: Meeting Request, Ultimate Reclamation  
Star Point #1 Haul Road  
ACT/007/006  
Carbon County, Utah

Dear Mel:

The Division has received your latest letter requesting a meeting with some of our technical staff for an on-site visit to discuss possible solutions to the ultimate reclamation of the old haul road which accesses the Star Point #1 Portal.

In your letter you mention that you have several ideas on how this might be accomplished. At this time, the Division feels that perhaps the best initial approach to resolving this question would be to draft a letter outlining your proposed ideas for our review and response.

If upon completion of critiquing these proposals, it appears that a meeting and/or on-site visit is indeed necessary, we would be more than happy to schedule one with Plateau at that time.

I trust this will be an acceptable preliminary step towards reaching a workable solution to this problem. If you have any questions, please call me.

Sincerely,

*D. Wayne Hedberg*
