RE: Determination of
Apparent Completeness
Starpoint Mines-MRP
ACT/007/006
Carbon County, Utah

Dear Mr. Tucker:

The Division of Oil, Gas and Mining and the Office of Surface Mining have jointly determined that the Mining and Reclamation Plan (MRP) submitted by Plateau Mining Company for the Starpoint Mines is apparently complete.

Both regulatory authorities are proceeding with the Technical Assessment (TA) in preparation of making a final determination as to adequacy of the MRP in meeting the Permanent Performance Standards.

We are tentatively looking at a September 16th time frame for development of a final draft concerning the TA review.

If you have any questions, please feel free to call either myself or Wayne Hedberg of my staff.

Sincerely,

for 
JAMES W. SMITH, JR.
