RE: Approval of Dress-up  
Work in Area South of  
Conveyor System

Dear Mr. Grimes:

On June 11, 1981, you submitted plans pursuant to reclamation work needed in an area south of your conveyor system. As you recall, we discussed this need during a May 28, 1981, field inspection and in a letter detailing areas of concern dated June 8, 1981.

Members of the Division's technical staff in relevant disciplines, have completed a cursory review of your plans for this area. They have not found any problems with it.

In light of this, and to facilitate actions necessary to adequately address this area, you may consider this letter to constitute Division approval for all measures included in your June 11, 1981 letter regarding this area.

Sincerely,

THOMAS L. PORTLE  
RECLAMATION OFFICER
