Re: Waste Water Disposal System
ACT/007/006
Carbon County, Utah

Dear Mr. Grimes:

The Division has received Plateau Mining Company's plans for the waste water disposal system. The design plans are adequate but final reclamation plans for the system must be submitted to the Division before the plans for the disposal system can be approved. If the Division determines that the leach field system and effluent line should be removed upon final reclamation, evidence that the reclamation bond includes this area should also be submitted.

Sincerely,

JAMES W. SMITH, JR.
