ACT/007/006

Mr. Ben Grimes
Plateau Mining Company
P. O. Drawer PMC
Price, Utah 84501

Dear Mr. Grimes:

As discussed during the April 15-16, 1981, inspection with Joe Helfrich, Tom Portle and myself, the following areas of concern should be addressed for permanent compliance within the specified time frames:

1. The Lion Deck should be graded and a berm established along the perimeter to retain runoff from the downslopes and divert drainage to the sediment ponds. Time limitation: seven days, no later than April 23, 1981.
2. The secondary access road on the south side of Wattis Canyon, the road to the intermediate stockpile deck below the Starpoint Deck, and the road along side the conveyor above the borrow pit should be maintained to Class III standards (UMC 817.170-.176). Time limitation: seven days, no later than April 23, 1981.
3. Submit water monitoring data for the months of November, December and January. Document problems encountered in sample collection. Time limitation: seven days, no later than April 23, 1981.
4. All rills and gullies on the downslopes of the secondary access road and in the borrow pit should be filled, graded and reseeded as specified in UMC 817.106. Drainage should be controlled to prevent additional erosion. Time limitation: 30 days, no later than May 17, 1981.
5. Stockpiled topsoil should be further protected by establishing a ditch for complete containment of topsoil drainage and constructing a berm to divert runoff away from the stockpile. Time limitation: 30 days, no later than May 17, 1981.

6. Install perimeter markers (UMC 817.11). Time limitation: 30 days, no later than May 17, 1981.
7. Complete the outlet of the catch basin at the end of the switchback in the main access road to comply with UMC 817.47. Time limitation: 30 days, no later than May 17, 1981.
8. Obtain OSM approval for modification of the slurry pond embankment above sediment pond #5.
9. Raptor-proof electric powerlines as is necessary for compliance under UMC 817.97.

If you have any questions concerning these requirements, please call either myself, Tom Portle or Joe Helfrich.

Sincerely,

SANDY PRUITT
