Re: Application for Emergency Lease

Dear Mr. Robison:

Pursuant to the regulations contained in 43 CFR Subpart 3425, Getty Mining Company is applying for an Emergency Lease Sale of 120 acres of federally owned coal in Carbon County, Utah.

The tract being applied for is an isolated "peninsula" to the north of Federal Coal Lease SL 031286. We anticipate having advanced to the boundary of this tract by May, 1983.

We feel this tract meets the criteria for emergency leasing as outlined in 43 CFR Subpart 3425 and are submitting the enclosed application as specified in 43 CFR Subpart 3425.

We are also enclosing a check in the amount of \$250.00, the processing fee required by 43 CFR 2473.2-1(a) (1).

Your cooperation in this matter is greatly appreciated.

Respectfully yours,

GETTY MINING COMPANY
(a subsidiary of Getty Oil Company)
