Dear Mr. Smith:

DIVISION OF  
OIL, GAS & MINING

Plateau Mining Company is in the process of obtaining a 160 acre parcel of land to be added to its lease holdings. This parcel is in the form of a lease modification to the currently held Federal Lease SL 031286.

It is desired that our currently approved Mining and Reclamation Plan be ammended in order to add this parcel of land to the plan. The way in which the tract fits into the current mining operation is detailed in the enclosed document.

Your immediate attention in processing this request would be greatly appreciated. Our mining operations have already been altered to accommodate unforeseen delays in obtaining the lease modification.

Additional copies of the document may be obtained if required.

Respectfully,

PLATEAU MINING COMPANY
